HP ZCENTRAL EVALUATED PRODUCTS LIST

DESCRIPTION

- The HP ZCentral Evaluated Products List is a list of items that have been evaluated by HP and may help a customer add to their HP ZCentral solution.
- These items have been used in the HP ZCentral validation environment and have shown to be compatible with an HP ZCentral Solution.
- Each item has demonstrated quality and stability consistent with HP's goals, but conditions for performance may change.
- HP does not directly provide support for these items; they are supported by their individual retailers or manufacturers.
- HP does not endorse these items.
