

VIVE Pro 2 is a high-fidelity professional PC-VR system designed to elevate your virtual experiences with 5K resolution, balanced ergonomics, sub-millimeter tracking accuracy, and cutting-edge accessories.

 **VIVE PRO 2****5K****High visual fidelity****Visualize in 5K clarity**

See, share, and explore ideas in brilliant clarity. Bring out the finer details in applications with combined 4896 x 2448 resolution.

**120°****Wide field of view****See more of your environment**

A wide 120° field of view expands the VR viewing experience. The increased angle better aligns with the human eyes, letting you see more naturally.

**120Hz****High refresh rate****Experience seamless visuals**

Increase your visual comfort in graphics-intensive applications with a 120Hz refresh rate.

**SteamVR™ Tracking****Configure large multi-user spaces**

Scale your tracking space—from seated to standing to full 10m x 10m¹ room-scale tracking. Add up to 4 base stations for wide-area tracking avoiding occlusion, ideal for multi-user environments, all at sub-millimeter accuracy.

**Designed for professional use****Enjoy VR with hours on end comfort**

Industry-defining balanced construction and adjustability provides a comfortable fit for VR sessions of any length and purpose. The headset fits a wide range of head sizes and vision types, even glasses. Find your sweet spot to minimize eye fatigue with the IPD adjustment dial.

**Compatible Software****Tap into a vast existing catalog**

Use your existing software like Unreal Engine, Unity Software, Autodesk® VRED®, Mindesk, and many more. If you need something more specific our ISV program features independent software vendors with existing off-the-shelf solutions.

**Offline SteamVR™ Library****Deploy with confidence**

VIVE Pro 2 includes access to the Offline SteamVR Library, which allows installation in a secure environment where the machine is not connected to the internet.

VIVE Tracker

Go beyond VR controllers

Bring objects into a virtual environment, whether it's a tool, camera, or your full body.² It's the ideal system for virtual production, simulations, and motion capture.

VIVE Business Warranty & Services

Enterprise-grade support and services designed to protect your investment

Keep your business running smoothly with VIVE Enterprise Business Warranty & Services. The package includes a two-year limited commercial-use warranty, support, and services. Features like next business-day email response, expedited product repair, and dedicated phone and chat support minimize downtime.

Registration and activation required for use. Start by creating a VIVE Business account. Activation must be completed within 90 days of the hardware purchase. A service request cannot be submitted until a business account is created and registered.

VIVE Business Warranty & Services is required for commercial use of VIVE Pro 2. See purchase options at business.vive.com/bws
